E. New Business

1. The Board would like to ask residents to please use care when throwing their garbage out. Nails and other debris have been found in the parking lot, which has previously caused flat tires. If your garbage bag tears, please ensure you clean up any debris. Likewise, if you see such items, please help by throwing these items away.
2. Following the sidewalk replacement, the Board will get a bid for sidewalk leveling to address several uneven sections throughout the property.
3. The Board received a few calls on the evening of September 21 about a beeping alarm that some thought might have been the sewer lift station alarm. The beeping was from a malfunctioning smoke detector, not the lift station, which continues to work flawlessly.
However, this is an opportunity to remind all residents that **ONLY** human waste and toilet paper should ever be flushed down the toilet, and grease should never be put down the drains.
4. The Board will be scheduling the hallway carpet cleaning for October.
5. The Board is planning to resume the *Trick or Treat at Islandview* event which was canceled last year due to weather. Tables will be set up at the top of the hill on Sunday, October 31. Residents who wish to participate are asked to bring candy to hand out to the kids. Weather permitting, of course.

F. Adjournment – Meeting adjourned 8:10. Next meeting: October 19, 2021
