

## **GENERAL PARKING**

### **Guidelines for Residents and Guests**

**Note:**

- Sometimes there may be exceptions, but the following Guidelines should be followed
- Also see Parking – Winter/Snow

#### **RESIDENTS**

- ☐ Park in front of the Building you live in
- ☐ Each Building has 24 Condo Units
  - ☐ Bldg 2445: 15 parking spaces on front line (plus 2 Handicap)
  - ☐ Bldg 2465: 17 parking spaces on front line (plus 2 Handicap)
- ☐ If you have more than 1 vehicle, use your carport
- ☐ If you have more than 2 vehicles, you must park 1 on the NW side of parking lot (top of the hill)
- ☐ If you are going to be gone for more than 2 days, please park on the NW side of parking lot (top of the hill) to allow more parking.
- ☐ Do not park “over” the sidewalk, especially trucks with trailer hitches

#### **GUESTS**

- ☐ Should only park on front line if they will be here a short time
- ☐ Should park on the NW side of parking lot or top of the hill if they are going out on a boat or visiting longer than a couple hours or if they plan to be here more than 1 day
- ☐ Do not park “over” the sidewalk, especially trucks with trailer hitches
